THIS SEASON'S OVERCOAT STYLES

The newest Overcoat for the current season is the style known as the CAVALIER. This is shown on the left hand figure in the picture. Its distinctive lines, with flared skirts and form-fitting back, have made it much sought after by the best dressers. The next figure is that of the very popular GIBSON, the long, full box Overcoat. The conservative Coat is the ST. REGIS, which is shown on the central figure in the picture. This is slightly form-fitting. The moderate form of the fitted back Coat is the CARLETON, shown on the right hand figure. The season's styles in CRAVENETTE'S have the same tendency also. All Overcoats are cut with the long center vent, which adds materially to the style effect and gives greater facility in walking, especially in the longer styles. In addition there are also the plain box Overcoat styles, Storm Ulsters, fur-lined and fur-collared Overcoats and other cold weather garments, made for service as well as style. Our selection of fabrics and patterns is the most extensive we have carried in years. We invite your inspection of our Overcoat Department. Prices from \$7.50 to \$22.00.
